

At **The Kinder Academy**, we believe your child's education is a valuable asset that we help reach its full potential. As a parent, you need to be an informed consumer to ensure YOUR child's needs are being met...

That's why, at **The Kinder Academy**, we believe in

- ☆ Individualized instruction which encompasses yet goes beyond the Delaware State Standards
- ☆ Lessons and assessments which recognize multiple intelligences
- ☆ Contextual learning within a developmentally appropriate curriculum
- ☆ Providing a safe, nurturing environment to maximize learning potential
- ☆ Embracing diversity and guiding students toward an appreciation of all customs and cultures

Pre-Kindergarten

To create a community of active learners Dottie Roberson will offer a wide range of experiences that meet the developmental needs, interests, & learning styles of the students. Child friendly themes will be used to peak their interests while developing the skills needed to succeed in their educational endeavors. A strong emphasis on phonics and hands on learning allows the skills for reading and math to appropriately develop. With many years of working with children, Miss Dottie provides a positive introduction to the academic world.

\$5 hr. for drop in

Kindergarten

Refining fine and gross motor skills, encouraging letter/sound recognition as well as basic math and science fundamentals are the basis for Miss Mary Wischmann's instruction. Her program is enriched through promoting divergent thinking and problem solving, enhancing socialization skills and assisting students in becoming aware of the world around them. Whether roaring with the dinosaurs or flying to the moon, students are immersed in multilevel learning. Her Wischmann Cup Points Race will encourage her students to grow in all areas of development through use of literature, art, music, games, and learning centers..

Monday - Friday
8:30 - 3:00pm

\$370.00 a month

Extended Care

\$25 a week
\$5 hr. for drop in

Grades 1 through 6

Cooperative learning in a language rich environment is the structural basis for this integrated classroom. With an emphasis on individualized instruction focused on various learning styles, students will be challenged according to their own ability levels. Course work will be aligned with the Delaware State Standards to ensure easier transition to the higher grades. Diane Curry facilitates an interactive classroom full of hands-on experiences which promote lifelong learning. She has a B.A. from The College of William and Mary and has taught all grades K - 6.
